

Eastern Montana Community Mental Health Center

Where Hope & Recovery Begin

Eastern Montana Community Mental Health Center is a not-for-profit behavioral healthcare organization – the largest provider of community behavioral health services in Eastern Montana serving seventeen (17) counties.

The Eastern Montana Community Mental Health Center provides quality, professional, comprehensive mental health and substance abuse treatment services to the citizens of Eastern Montana. We are committed to helping create healthy and secure communities and are looking for dedicated therapists to serve our clients.

Come join our team in Miles City, Montana

Miles City holds to its western culture and is home of the World Famous Bucking Horse Sale. It offers the perfect blend of old west and modern amenities. Miles City is the commercial and medical hub of Eastern Montana.

Founded in 1876, Miles City is rich in history. Historic Main Street and Residential Districts combine with the Miles City Academy, the Range Riders Museum and the Waterworks Art Museum to offer a wide range of experiences from the Wild West to contemporary life and modern arts.

Miles City is in the heart of Beef Country, so you'll enjoy your pursuit of the perfect steak and have a wide range of eateries to choose from.

Outdoor activities in Miles City are abundant. Fishing, hunting, bird watching, rock collecting, golf, or just taking a walk along the river can all be done within minutes of Miles City.

Visit www.milescitychamber.com for more information on our wonderful community.

Montana is well-known as Big Sky Country and nowhere is that more evident than in Eastern Montana. The 17-county region served by EMCMHC encompasses over 48,000 square miles of forested coulees, native prairies and badlands.

About 80,000 people call EMCMHC's counties home and help to create a western frontier culture that is tied closely to the land.

Visit www.emcmhc.org to learn more about our employment opportunities.
